## Academic Projects

Title : TechShare

Platform : Springboot/ASP.NET, ReactJS, MySQL

Duration : 1 Month

Description : Tech-Share is a web-based learning platform focused on the centralized sharing and management of educational content across multiple institutes, with a key focus on notes, assignments, quizzes and question banks. Tech-Share provides students with a unified digital space to access all their academic resources from different institutes, eliminating the need to navigate multiple platforms during revision and examinations. The main vision of Tech-Share is to eliminate learning fragmentation and improve accessibility to quality educational resources, empowering students to revise faster, learn smarter, and stay academically organized in a modern digital environment.
